

## Year 6 - Summer Curriculum Newsletter 2024

### Literacy

We will be working on our writing portfolio and will include both Non-Fiction and Narrative writing: formal letters, recounts and leaflets. In addition we will continue to have:

Weekly comprehension lessons

Weekly grammar lessons

Weekly spellings

Please remember to read with your child at least three times a week and discuss what

### RE

We will be covering our topics relating to:

Witnesses

Healing

Common Good

### History

We will be beginning our topic all about Ancient Greeks. The children will learn about aspects of political, social and cultural Ancient Greek life.

### Geography

We will be beginning our topic all about Our World in the Future.

### Design Technology

We aim to take part in a project, The Dyson Project, where we will be planning, designing and making a new product developing our engineering skills.

### Science

We will be continuing our unit on Classification. We will begin our new topics: Evolution and Electricity.

### Numeracy

This term we will be revising and covering:

Four operations

Money

Shapes & Space

Angles

Percentages

Fractions

Word problems

Venn and Carroll diagrams as well as completing mathematical investigations.

### Computing

This term, pupils will begin their new unit: We are publishers. Pupils will produce a documents using desktop publishing tools.

### Art

We will be developing our artistic and observational skills with our unit on still life.

### PE

PE kit must be brought into school and kept in school. PE days will change weekly and the children's kit in school will allow for this flexibility

### PSHE/Wellbeing

We will be learning about how to live in the wider world and how we are all global citizens. We will also be having weekly transition lessons where we will be focusing on how we can prepare for our move to Year 7.

### Music

We will be developing our singing and drama skills with the rehearsing of the Year 6 production.

### French

We will be developing our French speaking and listening skills.

### Notice - Year 6 Production

We will be performing a Year 6 production this year. Watch this space - more to follow. Homework will be to learn the songs and scripts.
